Residents of Bynum

Reminder the water bills go out before the first of the month each month.

If you do not receive your bill by the 5th of each month, remember it is your responsibility to contact the office for your total. Several ways to retrieve your total if you didn't receive it by mail, call by phone and leave a message, go to the website and send a message, drop a message in the drop box. We are not responsible for the USPS. Nor do we have to give a courtesy late postcard or call this was in paperwork during application sign up the due date and the cut off date.

The bill is DUE on or before the 15th of each month.

A late fee will be added to your bill after the 15th.

If the bill is not paid in full by the 25th of each month your water will be cut off. If this occurs you will be responsible for fees such as the water bill payment, late fee and a reconnect fee before water is turned back on.

Thank you for your cooperation,
