Important Notice: Upcoming Water & Sewer Rate Increase

Dear Residents,

City Council has approved a utility rate increase to help cover rising water and sewer service costs and repairs. Communities Unlimited provided technical assistance at no cost through a grant, including a rate analysis that identified the City's need for additional revenue to repair our plants and address increasing repair costs.

New rates take effect *November 1, 2026.*

NEW WATER RATES

	Residential W/O Sewer	Water & Sewer	Commercial	Master Meter
Base Fee	$47.13	$47.02	$73.09	$73.26
Base Allowance	1000 gallons	1000 gallons	1000 gallons	1000 gallons
1000 gallons plus	$11.02	$10.99	$10.99	$10.99

NEW WASTEWATER/SEWER RATES

	Water & Sewer	Commercial	Master Meter
Base Fee	$54.52	$73.09	$73.26
0-5K GAL	$6.23	$6.34	$6.25
5K+-15K GAL	$7.01	$7.14	$7.03
15K-25K GAL	$7.79	$7.93	$7.81
25K+-50K GAL	$8.57	$8.72	$8.59
ABOVE 50K + GAL	$9.35	$9.52	$9.37

This rate increase helps offset the higher treatment, repairs, infrastructure, and compliance costs while supporting safe, dependable water and sewer service. The City will manage these funds carefully to maintain Bynum's water and sewer systems. We recognize that rate increases affect household budgets and did not make this decision lightly. Thank you for your understanding.
